**Independent Auditors' Report** 

Board of Directors West Side Catholic Center Cleveland, Ohio

## **Report on the Audited Financial Statements**

## **Opinion**

We have audited the consolidated financial statements of West Side Catholic Center (a nonprofit organization) and Subsidiary, which comprise the consolidated statements of financial position as of December 31, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of West Side Catholic Center and Subsidiary as of December 31, 2022 and 2021, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of West Side Catholic Center and Subsidiary and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about West Side Catholic Center and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

## **Auditors' Responsibilities for the Audits of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of West Side Catholic Center and Subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about West Side Catholic Center and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

## **Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations ("CFR") Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is also not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 7, 2023 on our consideration of West Side Catholic Center and Subsidiary's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of West Side Catholic Center and Subsidiary's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering West Side Catholic Center and Subsidiary's internal control over financial reporting and compliance.

Meloney + Rovotry LLC

Cleveland, Ohio March 7, 2023

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

#### **Note 1.** Summary of Significant Accounting Policies

A. Nature of Activities – West Side Catholic Center provides various services to low-income persons in Cuyahoga County, Ohio. Its sources of revenues are derived principally from grants and public contributions.

West Side Catholic Center is the sole member of Ohio City Pizzeria, LLC, which was incorporated during 2019 to provide employment opportunities to the people served by West Side Catholic Center, grow awareness of West Side Catholic Center, and to provide an additional revenue stream to support the operations of West Side Catholic Center.

The consolidated financial statements include the accounts of West Side Catholic Center and Ohio City Pizzeria, LLC, collectively the "Organization." All significant intercompany transactions and accounts are eliminated in consolidation.

- B. Basis of Accounting The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.
- C. Basis of Presentation The Organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions:

Net Assets Without Donor Restrictions – Net assets not subject to donor-imposed stipulations. This category includes net assets designated by the Board for endowment. At December 31, 2022 and 2021, board-designated net assets were \$501,757 and \$655,282, respectively.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

- D. Use of Estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.
- E. Cash and Cash Equivalents The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents exclude any cash or cash equivalents maintained in a professional investment account. The Organization's cash balances may exceed the insured amount from time to time.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

## **Note 1.** Summary of Significant Accounting Policies (Continued)

- F. Funds Held in Trust The Organization was a member of the Identification Crisis in Cleveland Collaboration (the "Collaboration") which was formed to address a major obstacle for people that are poor the inaccessibility of their own birth certificates and state identification. The Organization, being the fiduciary of these funds, reported these amounts as an asset and a liability in its consolidated statements of financial position. The funds held in trust were \$-0- and \$2,980 at December 31, 2022 and 2021, respectively. The Organization ceased to be a fiduciary agent of the Collaboration effective October 31, 2021.
- G. Pledges and Grants Receivable Pledges receivable represent unconditional promises to give from an individual donor. Grants receivable represent unconditional promises to give from government agencies for reimbursement of contracts and grants and the United Way. Pledges and grants receivable expected to be collected in future years are recorded at the present value of their estimated future cash flows. At December 31, 2022, all pledges and grants receivable are due within one year.

Based on management's assessment of collection history with its donors, it has concluded an allowance is not deemed necessary as of December 31, 2022 and 2021.

- H. Property and Equipment Purchased property and equipment is stated at cost. Donated property and equipment is stated at fair value at the time of the donation. All property and equipment is being depreciated on the straight-line basis over the estimated useful lives of the assets, ranging from five to forty years. The Organization's policy is to capitalize assets greater than \$5,000 with a useful life of more than one year. Repairs and maintenance are charged to expense as incurred, whereas the costs of property and equipment additions and improvements are capitalized.
- I. Contributions and Grants Contributions and grants received are recorded as without donor restrictions or with donor restrictions depending on the existence or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions.

A portion of the Organization's revenue is derived from cost-reimbursable government grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific grant provisions. As of December 31, 2022, government grants totaling approximately \$1,606,674 have not been recognized in the accompanying consolidated financial statements because the conditions on which they depend have not been met.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

## **Note 1.** Summary of Significant Accounting Policies (Continued)

J. Tax Status – The Organization is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from Federal income taxes.

The Organization is no longer subject to tax examinations for years before 2019 by taxing authorities in jurisdictions where the Organization has filed returns.

The Organization believes it has appropriate support for any tax positions taken and, as such, does not have any uncertain tax positions that would be material to the consolidated financial statements.

- K. Fair Value Measurements The carrying values of cash and cash equivalents, pledges receivable, grants and other receivable, accounts payable, and funds held in trust approximate fair value because of the short maturity of these financial instruments. Financial and nonfinancial assets and liabilities are required to be measured on an annual basis. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price) and establishes a fair value hierarchy based upon the inputs used to measure fair value. The three levels of the fair value hierarchy are as follows:
  - Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).
  - Level 2 Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.
  - Level 3 Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

The carrying value of the Organization's investments approximates fair value in accordance with accounting principles generally accepted in the United States of America and is summarized below:

	Fair Value		
	Total	Level 1	Level 2
December 31, 2022:			
Money market funds	\$ 330,192	\$ -	\$ 330,192
Equity mutual funds	1,696,092	1,696,092	-
Fixed income mutual funds	1,065,574	1,065,574	
	\$ 3,091,858	\$ 2,761,666	\$ 330,192

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

## **Note 1.** Summary of Significant Accounting Policies (Continued)

K. Fair Value Measurements (Continued)

	Fair Value		
	Total	Level 1	Level 2
<u>December 31, 2021:</u>			
Money market funds	\$ 224,339	\$ -	\$ 224,339
Equity mutual funds	2,064,354	2,064,354	-
Fixed income mutual funds	1,243,084	1,243,084	
	\$ 3,531,777	\$ 3,307,438	\$ 224,339

The Organization's investments consist of marketable equity and fixed income mutual funds, with quoted prices in active markets, and are considered to be Level 1 inputs. The money market funds are valued at \$1 per share, as quoted by the fund managers, and are classified as Level 2 inputs. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

- L. Donated Services and Materials A substantial number of unpaid volunteers have donated a significant amount of time to the Organization's program services and fundraising campaigns. However, these services are not reflected in the consolidated financial statements since the services did not require specialized skills.
- M. Revenue Recognition Revenue from pizzeria sales is recognized at a point in time.
- N. Functional Allocation of Expenses The cost of providing various programs and supporting services has been summarized on a functional basis in the consolidated statements of activities. Certain categories of expense are attributable to one or more program or supporting functions of the Organization. Those expenses include some wages and benefits which are allocated based on estimates of time and effort and some general and administrative costs which are allocated based on program size.
- O. Subsequent Events Subsequent events have been evaluated through March 7, 2023, which is the date the consolidated financial statements were available to be issued.

#### Note 2. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the consolidated statement of financial position date, comprise the following:

	<u>2022</u>	<u>2021</u>
Cash and cash equivalents	\$ 397,966	\$ 792,423
Grants receivable	381,077	152,399
Other receivable	274	889
Investments - non-endowed	648,690	597,914
	\$ 1,428,007	\$ 1,543,625

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

## Note 2. Liquidity and Availability (Continued)

The Organization's endowment funds consist of donor-restricted endowments and funds designated by the board as endowments. Donor-restricted endowment funds are not available for general expenditure.

The Organization's board-designated endowment which is not included in the table above has a balance of \$501,757 and \$655,282 for the years ended December 31, 2022 and 2021, respectively, as described in Note 3. Although the Organization does not intend to spend from this board-designated endowment, these amounts could be made available if necessary. In addition, the Organization has a demand line of credit that it could draw upon.

The Organization receives significant contributions restricted by donors, and considers contributions restricted for programs which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures. The Organization manages its liquidity and reserves following two guiding principles: maintaining adequate liquid assets to fund three months of operating needs and maintaining sufficient reserves to provide reasonable assurance that future opportunities of a long-term nature can be acted upon. To achieve these targets, the Organization forecasts its future cash flows and monitors its liquidity and reserves monthly.

#### Note 3. Endowment

The Organization's endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments.

#### **Interpretations of Relevant Law**

The Board of Directors of the Organization interprets the Ohio Uniform Prudent Management of Institutional Funds Act ("UPMIFA") to require consideration of the several factors, if relevant, in making management and investment decisions for donor-restricted endowment funds. These factors include general economic conditions, possible effect of inflation or deflation, tax consequences of investment strategies, other resources of the institution, and value to the Organization's charitable purpose. Absent explicit donor stipulation to the contrary, the Organization shall classify as donor-restricted net assets the original value of the gifts donated to the endowment.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. The Organization has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law.

## **Return Objectives and Risk Parameters**

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results with a targeted annual return to exceed the rate of inflation by 1% to 2% on a rolling five-year term, while assuming a moderate level of investment risk.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

## Note 3. Endowment (Continued)

## **Strategies Employed for Achieving Objectives**

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a balanced portfolio to achieve its long-term return objectives within prudent risk constraints.

## **Spending Policy**

A board designated cash account has been established. It is restricted in purpose to those activities that the Board of Directors specifically votes to support and is to be segregated from the general operating funds of the Organization and invested in a cash management account that is liquid and free from risk of significant loss. An amount equal to 3% of the Organization's average endowment portfolio is transferred annually to the designated cash account provided that such transfer does not cause the balance in the designated cash account to exceed \$200,000. Should the annual transfer from the endowment portfolio cause the board designated cash account to exceed \$200,000, the amount by which the annual transfer would cause the board designated cash account to exceed \$200,000 would be retained in the Organization's endowment portfolio, unless specific action directing otherwise is taken by the Board of Directors. The Organization's average endowment portfolio is measured as the average month end balance of the endowment portfolio for each of the twelve months immediately preceding the Organization's year end.

The spending policy is consistent with the Organization's objective to maintain the purchasing power of the endowment assets held, in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

In 2021, the Board of Directors petitioned with the state of Ohio to release the restrictions on certain endowment funds and was granted approval from the Ohio Attorney General to reclassify \$435,366 to without donor restrictions of which \$176,000 was corpus and \$259,366 was accumulated earnings. As of December 31, 2022 and 2021, these funds are being maintained as board-designated endowment funds.

Endowment net asset composition by type of fund as of December 31, 2022:

	Without Donor Restrictions	With Donor Restrictions	Total
Board-designated endowment fund	\$ 501,757	\$ -	\$ 501,757
Donor-restricted endowment funds: Corpus	-	818,050	818,050
Earnings on endowment		1,123,361	1,123,361
	\$ 501,757	\$ 1,941,411	\$ 2,443,168

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

## **Note 3. Endowment (Continued)**

Changes in endowment net assets for the year ended December 31, 2022:

	Without	With	
	Donor	Donor	
	Restrictions	Restrictions	Total
Endowment net assets, beginning of year	\$ 655,282	\$ 2,278,581	\$ 2,933,863

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

## Note 4. Property and Equipment

Property and equipment is summarized as follows at December 31:

	<u>2022</u>	<u>2021</u>
Land and improvement	\$ 131,820	\$ 131,820
Buildings	1,104,853	1,104,853
Building improvement	3,928,549	3,925,197
Equipment	182,611	176,947
Vehicles	25,065	25,065
Furniture and fixtures	40,402	33,745
Software	29,119	29,119
Construction in progress	86,199	-
Total costs	5,528,618	5,426,746
Accumulated depreciation	(2,165,232)	(1,952,200)
	\$ 3,363,386	\$ 3,474,546

Depreciation expense was \$213,031 and \$212,944 for the years ended December 31, 2022 and 2021, respectively.

#### Note 5. Line of Credit

The Organization has a demand line of credit with maximum borrowings of \$150,000 through a bank at December 31, 2022 and 2021. The line of credit bears interest at the prime rate of interest (7.50% at December 31, 2022) plus 1%. The line of credit is collateralized by all personal property of the Organization. There were no amounts outstanding on the line of credit at December 31, 2022 and 2021.

#### Note 6. Forgivable Loan

The Organization has accepted the conditions of a \$143,140 Capital Funding to End Homelessness Initiative Repair Program commitment dated August 10, 2015 from the Ohio Housing Finance Agency. This is a forgivable loan, provided that the Organization renovates and maintains its emergency shelter. The loan will be reduced by 10% for each full year that the property is maintained in accordance with the terms and conditions of the loan agreement and fully forgiven in ten years. The loan term is ten years, at a fixed annual interest rate of 0%, with deferred interest and principal payments. Loan funds will be disbursed to the Organization as reimbursement for construction expenses. During 2017, the forgiveness period started and will continue for the remaining nine years. As of December 31, 2022 and 2021, the balance on the loan was \$57,256 and \$71,570, respectively.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

#### **Note 7. Net Assets With Donor Restrictions**

Net assets with donor restrictions are designated for the following purposes:

	Balance December 31, 2022	Balance December 31, 2021
Net Assets With Donor Restrictions:		
Subject to expenditure for specified purpose:		
Shelter and housing programs	\$ 44,845	\$ 150,346
Pizza operations		28,190
	44,845	178,536
Subject to endowment spending policy and appropriation:		
Endowment corpus	818,050	818,050
Accumulated endowment earnings	1,123,361	1,460,531
	1,941,411	2,278,581
Total net assets with donor restrictions	\$ 1,986,256	\$ 2,457,117

#### Note 8. Pension Plan

The Organization has a defined contribution plan that provides benefits to eligible participants as determined according to the provisions of the plan agreement. Employer contributions were \$39,641 and \$36,997 for the years ended December 31, 2022 and 2021, respectively.

## Note 9. COVID-19 Global Pandemic

On January 30, 2020, the World Health Organization declared the outbreak of the coronavirus disease 2019 ("COVID-19") a global health emergency and subsequently declared the COVID-19 outbreak a global pandemic in March 2020. The pandemic has adversely affected domestic and global economic activity and the full impact continues to evolve as of the date of this report.

On March 27, 2020, the federal government enacted the Coronavirus Aid, Relief and Economic Security ("CARES") Act. The CARES Act created the Paycheck Protection Program ("PPP"), a program implemented by the U.S. Small Business Administration. In May 2020, the Organization received a \$423,200 loan under the PPP but during the fiscal year returned \$128,000 as the majority of the payroll costs were covered by other federal grants. The loan was recorded as debt until forgiven. On May 5, 2021, the PPP loan was fully forgiven and recorded as income.

#### NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Year Ended December 31, 2022

#### **Note 1.** Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of West Side Catholic Center and Subsidiary under programs of the federal government for the year ended December 31, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of West Side Catholic Center and Subsidiary, it is not intended to and does not present the financial position, changes in net assets, or cash flows of West Side Catholic Center and Subsidiary.

## **Note 2.** Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited in reimbursement.

#### Note 3. Indirect Cost Rate

West Side Catholic Center and Subsidiary have elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Independent Auditors' Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance With Government Auditing Standards

Board of Directors West Side Catholic Center Cleveland, Ohio

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of West Side Catholic Center (a nonprofit organization) and Subsidiary, which comprise the consolidated statement of financial position as of December 31, 2022, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 7, 2023.

## **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered West Side Catholic Center and Subsidiary's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of West Side Catholic Center and Subsidiary's internal control. Accordingly, we do not express an opinion on the effectiveness of West Side Catholic Center and Subsidiary's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist and that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards (Continued)

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether West Side Catholic Center and Subsidiary's consolidated financial statements are free from material misstatement, we performed tests of their compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of West Side Catholic Center and Subsidiary's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering West Side Catholic Center and Subsidiary's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

<u>Independent Auditors' Report on Compliance for the Major Program</u> and on Internal Control Over Compliance Required by the Uniform Guidance

Board of Directors West Side Catholic Center Cleveland, Ohio

## **Report on Compliance for the Major Federal Program**

## **Opinion on Each Major Federal Program**

We have audited West Side Catholic Center and Subsidiary's compliance with the types of compliance requirements identified as subject to audit in the U.S. Office of Management and Budget ("OMB") Compliance Supplement that could have a direct and material effect on West Side Catholic Center and Subsidiary's major federal program for the year ended December 31, 2022. West Side Catholic Center and Subsidiary's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, West Side Catholic Center and Subsidiary complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2022.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States ("*Government Auditing Standards*"); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of West Side Catholic Center and Subsidiary and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of West Side Catholic Center and Subsidiary's compliance with the compliance requirements referred to above.

## Independent Auditors' Report on Compliance for the Major Program and on Internal Control Over Compliance Required by the Uniform Guidance (Continued)

## **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to West Side Catholic Center and Subsidiary's federal programs.

## **Auditors' Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on West Side Catholic Center and Subsidiary's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about West Side Catholic Center and Subsidiary's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
  design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding West Side Catholic Center and Subsidiary's
  compliance with the compliance requirements referred to above and performing such other
  procedures as we considered necessary in the circumstances.
- Obtain an understanding of West Side Catholic Center and Subsidiary's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of West Side Catholic Center and Subsidiary's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## Independent Auditors' Report on Compliance for the Major Program and on Internal Control Over Compliance Required by the Uniform Guidance (Continued)

## **Report on Internal Control Over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we express no such opinion.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
